SENATE BILL

No. 49

Introduced by Senator Dutton

January 13, 2009

An act to amend Section 17059 of the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

LEGISLATIVE COUNSEL'S DIGEST

SB 49, as amended, Dutton. Income tax credit: qualified principal residence.

The Personal Income Tax Law authorizes various credits against the taxes imposed by that law. Existing law authorizes a credit against those taxes in an amount equal to the lesser of 5% of the purchase price of a qualified principal residence, as defined, *purchased on and after March 1, 2009, and before March 1, 2010*, or \$10,000, *allocated by the Franchise Tax Board on a first-come-first-served basis*. Existing law requires a taxpayer to provide the Franchise Tax Board with a certification from the seller of *the* qualified principal residence that the residence, has never been previously occupied within one week of the sale of the residence and caps the total amount of the credit at \$100,000,000.

~~This bill would provide that a taxpayer may reserve a credit with the Franchise Tax Board and require that the certification be provided to the Franchise Tax Board within one week of the close of escrow of the qualified principal residence. This bill would also remove the cap on the total credit amount allowed.~~

This bill would provide that the tax credit is authorized for purchases of a qualified principal residence made before December 1, 2010,

subject to specified restrictions. This bill would revise the certification requirements to provide that the taxpayer receive the certification no later than one week after the close of escrow on the qualified principal residence and that the Franchise Tax Board be provided with the certification upon request by the board. This bill would also remove the cap on the total credit amount allowed and the requirement that the tax credits be allocated on a first-come-first-served basis.

This bill would take effect immediately as a tax levy.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
